SP1000 - Big E Pellet Stove

The Breckwell SP1000 was named the Big E for its ease of use and economic value. This powerhouse of a pellet stove remains a constant favorite year after dependable year. The Big E features smoked mirrored glass and arched door with stay-cool wooden handle. The staggering 140 lb hopper can burn up to three days on a single load of fuel. This all-around favorite features a removable ash pan and 120 CFM blower, and a dependability with more features and less cost than many other comparable pellet stoves. A favorite for many local hearth shops today. The SP1000E stove exceeds 75% efficiency and qualifies for the 30% IRS 25C Residential Energy Tax Credit.
