

Vent Hood

AOG 36" Vent Hood #VHD-36

Designed for use with all built-in American Outdoor Grills (AOG), the VHD-36 AOG Vent Hood facilitates outdoor grilling when a covered patio is present. The 1000 CFM dual fan design may be configured to vent either vertically or horizontally while halogen lamps illuminate the grilling area.

Feature Highlights:

- Powerful, convertible (top-vent or rear-vent) dual blowers (1000 CFM total) specifically designed and engineered to quickly extract smoke, heat, grease, and odors from the front or rear of the hood
- High quality 304 stainless steel construction with seamless edges
- Dual halogen under-mount lamps provide generous light for evening grilling
- Thermal safety sensor automatically activates fans when temperature reaches 140° F
- On demand ON/OFF push buttons for lights and fan
- Anodized aluminum filters remove easily and are dishwasher safe
- Dimensions: 36" wide x 18" high x 30" deep
- Optional Duct Cover (#36-VH-7-DC) and Spacer (#36-VH-7-02) are available to complete installation (sold separately) *
- **Warranty:**
 - 10 Year stainless steel housing
 - 1 Year electronics

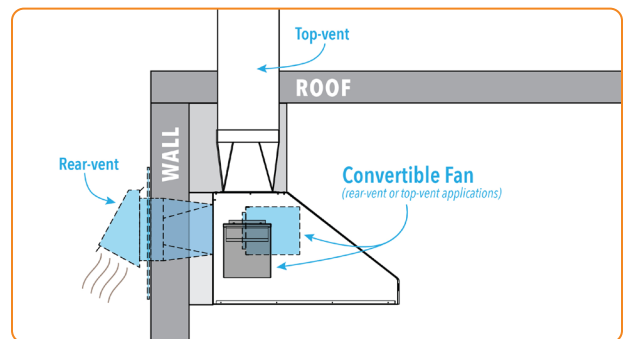

MSRP: \$3,600

* Duct Cover and Spacer must be used together.

Specifications

Elec. Requirements	120VAC / 15 AMP min. / 60 Hz / GFCI outlet
Fans	120 volts, 1000 CFM High Pressure Output
Power Consumption	1,010 watts
Halogen Lights Rating	120V / 50 watt halogen light bulb

Power Vent Hoods are for outdoor use only and must be wall mounted. See owner's manual for detailed installation instructions and additional information.
